verse 2:

I'm at the carpark, the airport, the baggage carousel
The people keep on grabbing, ain't wishing I was well
I said, "It's no occasion, it's no story I can tell"
At my bedside, empty pocket, a foot without a sock
Your body gets much closer
I fumble for the clock
Alarmed by the seduction
I wish that it would stop

[repeat chorus]

verse 3 [half-length]

I bought a novel, some perfume, a fortune over you
But it's not my conscience that hates to be untrue
 Bm F#m G/A A D
I asked of my reflection, "tell me what is there to do"

[repeat chorus to fade]
