

NEON MOON

INTRO: A.....

A

When the sun goes down on my side of town that lonesome

feeling comes to my door D A
And the whole world turns world..... blue.

A

There's a run down bar across the railroad tracks I got a table for

two way in the back D A
Where I sit alone..... and think of losin' you.

E A
I spend most every night beneath the lights of a neon moon.

CHORUS

D E D E
If you lose your one and only There's always room here for the lonely

D E
To watch your broken dreams dance in and out of the beams

A
Of a neon moon.

I think of two young lovers running wild and free

I close my eyes and sometimes see

You in the shadows of this smoke-filled room

No telling how many tears I've sat here and cried

Or how many lies that I've lied

Telling my poor heart she'll come back someday

Oh, but I'll be alright As long as there's light From a neon moon

CHORUS

GTR. SOLO OVER VERSE CHANGES

The jukebox plays on, drink by drink

And the words of every sad song seem to say what I think

And its hurt inside of me, ain't never gonna end Oh, but I'll be alright

As long as there's light From a neon moon

CHORUS

Repeat last line two more times, then hang on "Dreams".....

Pedal Steel outro hang on A chord
