A

Winding your way down on Baker Street Light in your head and dead on your feet

Well, another crazy day You'll drink the night away And forget about everything

A

This city desert makes you feel so cold It's got so many people, But it's got no soul

And it's taken you so long To find out you were wrong When you thought it held everything

Dm7

You used to think that it was so easy You used to say that it was so easy

But you're trying, you're trying now Another year and then you'd be happy

Just one more year and then You'd be happy But you're crying, you're crying now

A

Way down the street there's a Light in his place He opens the door, he's got that look on his face

And he asks you where you've been You tell him who you've seen And you talk about anything

A

He's got this dream about buying Some land He's gonna give up the booze and The one night stands

And then he'll settle down In some quiet little town And forget about everything

Dm7

But you know he'll always Keep moving You know he's never gonna

Stop moving 'Cause he's rolling, He's the rolling stone

And when you wake up, It's a new morning The sun is shining, it's a new morning

And you're going, you're going home
