

# You Shook Me All Night Long

## GTR INTRO

She was a fast machine, she kept her motor clean  
She was the best damn woman I had ever seen  
She had the sightless eyes, telling me no lies  
Knockin' me out with those American thighs  
Taking more than her share, had me fighting for air,  
She told me to come, but I was already there  
'Cause the walls start shaking, the earth was quaking  
My mind was aching, and we were making it
