So long ago, I don't remember when That's when they say I lost my only friend
G D F#7 Bm A
Well they said she died easy of a broken heart disease As I listened through the cemetery trees
| G | D | F#7 | Bm A |

G D F#7 Bm A
I seen the sun comin' up at the funeral at dawn The long broken arm of human law
G D
Now it always seemed such a waste she always had a pretty face
F#7 Bm | G | G | F#7 | F#7
I wondered how she hung around this placeHey

CHORUS | G | D | Em7
Come on try a little Nothing is forever Got to be something
| A | G | D | Em7 |
better than In the middle Me & Cinderella Put it all together We can drive it home
| A | A7sus4 | G | D | F#7 | Bm A |
..... With one headlight

G D F#7 Bm A
She said it's cold It feels like Independence Day And I can't break away from this parade
G D
But there's got to be an opening Somewhere here in front of me
F#7 Bm A G D
Through this maze of ugliness and greed And I seen the sun up ahead At the county line bridge
F#7 Bm A G
Sayin' all there's good and nothingness is dead We'll run until she's out of breath
D F#7 Bm A
She ran until there's nothin' left She hit the end – It's just her window ledge
| G | G | F#7 | F#7
Hey hey

CHORUS | G | D | Em7
Come on try a little Nothing is forever Got to be something
| A | G | D | Em7 |
better than In the middle Me & Cinderella Put it all together We can drive it home

Well this place is old It feels just like a beat up truck turn the engine, but the engine doesn't turn

Well it smells of cheap wine & cigarettes This place is always such a mess

Sometimes I think I'd like to watch it burn

I'm so alone, and I feel just like somebody else Ma ,I ain't changed, but I know I ain't the same

But somewhere here in between the city walls of dyin' dreams

I think her death it must be killin' me Hey hey hey

CHORUS |G |D |Em7
