

FRIENDS IN LOW PLACES

A **Bbdim7** **Bm**
Blame it all on my roots I showed up in boots And ruined your black tie affair
E **E7** **A**
The last one to know The last one to show I was the last one you thought you'd see there
A **Bbdim7** **Bm** **Dm7**
And I saw the surprise And the fear in his eyes When I took his glass of champagne
E **E7** **E** **E7**
I toasted you Said honey, we may be through But you'll never hear me complain

A
'Cause I got friends in low places Where the whiskey drowns and the beer chases
Bm **E** **A**
My blues away And I'll be okay I'm not big on social graces
A **A7.....** **Bm** **E** **A** **A**
Think I'll slip on down to the oasis Oh, I've got friends In low places

SOLO: | **A** | | | | **Bm** | **E** | **A** | |

A **Bbdim7** **B**
Well, I guess I was wrong I just don't belong But then, I've been there before
E **A**
Everything's alright I'll just say goodnight And I'll show myself to the door
A **Bbdim7** **Bm** **Dm7**
Hey, I didn't mean To cause a big scene Just give me an hour and then
E **E7** **E** **E7**
Well, I'll be as high as that Ivory tower That you're livin' in

A
'Cause I got friends in low places Where the whiskey drowns and the beer chases
Bm **E** **A**
My blues away And I'll be okay I'm not big on social graces
A **A7.....** **Bm** **E** **A**
Think I'll slip on down to the oasis Oh, I've got friends In low places

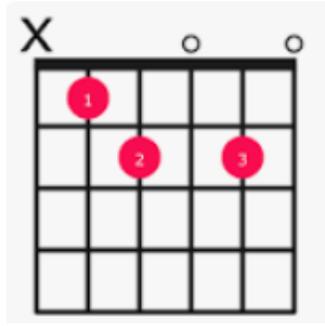

A **Bbdim7** **Bm**
I guess I was wrong I just don't belong But then, I've been there before
E **E7** **A**
And everything's alright I'll just say goodnight And I'll show myself to the door
A **Bbdim7** **Bm** **Dm7**
I didn't mean To cause a big scene Just wait 'til I finish this glass
E **E7** **E** **E7**
Then sweet little lady I'll head back to the bar And you can Kiss my ass!
