

DROPS OF JUPITER

INTRO: C G F F

C **G** **F**
Now that she's back in the atmosphere With drops of Jupiter in her hair, hey, hey, hey, hey
C **G** **F**
She acts like summer and walks like rain Reminds me that there's time to change, hey, hey, hey, hey
C **G**
Since the return from her stay on the moon She listens like spring and she talks like June
F
Hey, hey, hey, hey Hey, hey, hey, hey

CHORUS

G **D** **F**
Tell me did you sail across the sun Did you make it to the Milky Way to see the lights all faded
C **G** **D**
And that heaven is overrated Tell me, did you fall from a shooting star
Dm **F**
One without a permanent scar And did you miss me while you were looking for yourself out there

SOLO: C G F F

C **G** **F**
Now that she's back from that soul vacation Tracing her way through the constellation, hey, hey, hey
C **G** **F**
She checks out Mozart while she does tae-bo Reminds me that there's room to grow, hey, hey, hey, hey
C **G** **F**
Now that she's back in the atmosphere I'm afraid that she might think of me as plain ol' Jane
F
Told a story about a man who is too afraid to fly so he never did land

CHORUS

G **D**
Tell me did the wind sweep you off your feet
F
Did you finally get the chance to dance along the light of day
C **G** **D**
And head back to the Milky Way And tell me, did Venus blow your mind
Dm
Was it everything you wanted to find
F
And did you miss me while you were looking for yourself out there

SOLO: C G F F

BRIDGE

Can you imagine no love, pride, deep-fried chicken
 Your best friend always sticking up for you, even when I know you're wrong
 Can you imagine no first dance, freeze dried romance five-hour phone conversation
 The best soy latte that you ever had, and me

CHORUS

Tell me did the wind sweep you off your feet
 Did you finally get the chance to dance along the light of day
 And head back toward the Milky Way Tell me did you sail across the sun
 Did you make it to the Milky Way to see the lights all faded
 And that heaven is overrated Tell me, did you fall from a shooting star
 One without a permanent scar And did you miss me while you were looking for yourself
