

## PLAY THAT FUNKY MUSIC

Intro: **E9** Hey, do it now Yeah, hey

### **E9 (F#9-F9-E9 F#9--E9)**

Hey, and once I was a boogie singer Playin' in a Rock and Roll Band I never had no problems  
Burnin' down the one night stands Yeah and everything around me, yeah Got to stop  
to feelin' so low And I decided quickly Yes I did To disco down and check out the show

### **E9**

Yeah, there was dancin' and singin' and movin' to the groovin'  
And just when it hit me somebody turned around and shouted

### **G9**

### **Bb7**

Play that funky music white boy Play that funky music right Play that funky music white boy

### **C7M**

### **Esus4 E7sus4**

### **D7 D#7 E7 E9**

Lay down the boogie and play that funky music 'till you die 'Till you die Oh ya, ya

### **E9**

I tried to understand this I thought that they were out of their minds How could I be so foolish  
To not see I was the one behind So still I kept on fighting Well, losing every step of the way  
I said, I must go back there And check to see if things still the same

## CHORUS

SOLO: 'Till you die E9..... <*wah solo over Em*>

### **E9**

Now first it wasn't easy Changin' Rock and Roll and minds  
And things were getting shaky I thought I'd have to leave it behind  
But now it's so much better I'm funkng out in every way  
But I'll never lose that feelin'Of how I learned my lesson that day

## CHORUS
