[Intro] **Am F G F**

**Am**

Nobody on the road, nobody on the beach.

**F**

I feel it in the air, the summer's out of reach.

**G**

Empty lake, empty streets, the sun goes down alone.

**F**

I'm driving by your house, though I know you're not home.

**C**

**G**

But I can see you, your brown skin shining in the sun.

**F**

You got your hair combed back and your sunglasses on, baby.

**C**

**G**

I can tell you my love for you will still be strong

**F**

After the boys of summer have gone.

**Am ... F ... G ... F ...**

**Am**

I never will forget those nights, I wonder if it was a dream.

**F**

Remember how you made me crazy, remember how I made you scream.

**G**

Now I don't understand what happened to our love.

**F**

One day I'm gonna get you back, I'm gonna show you what I'm made of.
